

MONTGOMERY CATHOLIC CAMPAIGN

Montgomery Catholic Preparatory School has a long history built on faith, family and tradition, started by the Sisters of Loretto many years ago. As you may know, Montgomery Catholic recently completed an extensive strategic planning process, including a planning study. The goal was to evaluate their needs to ensure the school's strengths, opportunities and challenges, and determine support for those needs. The results show strong support for two important improvements.

The first improvement calls for a new gymnasium at Montgomery Catholic to enhance its physical education and athletic programs.

The second improvement involves converting the Fr. Delahunty Gymnasium into a facility dedicated to the performing arts program, which has recently seen tremendous growth.

We are pleased to tell you that the archdiocese granted its official approval for these projects. With that, we are excited to announce the beginning of the Building on Faith, Family and Traditional Capital Campaign for Montgomery Catholic. This campaign seeks to build on the mission of proclaiming the gospel of Jesus Christ and helping students grow to become persons of faith, virtue and wisdom.

Look for more communications in the coming weeks which will include greater detail about these school improvements and the Building on Faith, Family and Traditional Capital Campaign.

In the meantime, we invite you to consider how you may best support this effort in prayer and giving of your time, treasures and talent.
