

The Touchstone of Faith commemorative pavers is located in the new John Dowe Plaza. The pavers provide a meaningful opportunity to celebrate, remember and honor loved ones and share special occasions personalized on pavers in our new plaza, with proceeds to support our parish facilities. With a donation of \$125 per paver, you may personalize pavers to be included in the new entryway. Download the paver order form which includes a new entry sheet for your paver's message.
